After Gathering

In Jesus’ Name, we seal all that Jesus has done here today and forbid the enemy from robbing _____ of the work that was accomplished here. In the Name of Jesus, we suspend any lingering areas that need to be resolved until the next time we gather to pray.

In Jesus’ Name, we cover all who have participated in this prayer time today and we forbid any retaliation against us. We now ask for God’s blessing to remain with us as we leave. Amen.
