Admit, Accept & Declare the Truth

Have the person you are ministering to . . .

- Admit & accept the truth (be honest) *about how they feel* – “their truth”
- Admit & accept truth *about what happened to them or what they’ve done*
- Admit & accept the truth *about what they participated in or experienced*
- Admit (confess) any *sins they committed or omitted as the Holy Spirit reveals them*
- Declare (verbalize aloud) *God’s Truth* & accept that it’s “His Truth”

Renounce & Resolve Unrighteous Influences & Effects

In regard to lies, have the person your ministering to say or repeat something like . . .

“In Jesus’ Name, I renounce (reject) the lie that says _____ and I declare and accept God’s Truth that says _____” even though it may not feel true based on my experience. I also cancel any effects or influences that have affected me as a result and send them away from me to the feet of Christ’ for judgement.

In regard to things participated in, experienced, or associated with . . .

“In Jesus’ Name, I renounce (cut off) all spiritual influences associated with _____ (sins I committed or that were committed against me—acts of unrighteousness, sexual unions; traumatic experiences; a form of idolatry; or anything that may have affected me through my association with people; activities; things). I now cancel any and all effects & influences that have come about as a result, and send them away from me to the feet of Christ’ for judgement.

Demonic Influences

“If there is any influence opposed to Christ that is affecting or keeping (name of person) from his/her freedom and healing, in the name of the Lord Jesus’ Christ, I command you to come into the light of Christ to be revealed to (name of person’s) mind. In Jesus’ name, I forbid you from affecting (name). I suspend your influences and now command you to release them to know and respond to the truth that leads to freedom.

Allow the PR to report. If they are able lead them to verbally reject (renounce, separate from) the influence or spirit. If they are unable to respond or after they’ve verbally renounced the influence for themselves, address the influence or spirit directly:

“In Jesus’ Name, I command you and all influences of evil to be bound & silent. I cancel your effects and send you to Christ for judgment. Lord Jesus, come fill and restore every part of their being with your presence & peace.

Forgiving & Releasing Your Offender

PM: Ask the Holy Spirit to reveal those they need to forgive; the specific offenses they need to forgive them for; and for how it has affected their life and has made them feel as a result. As these come to mind have the Prayer Recipient (PR) pray or repeat something like: “Lord Jesus, I now **forgive** (name of offender) for _____ .

I **acknowledge** that their sins and the results of their actions have affected my life and have made me feel _____. (PM: Allow the PR time to express their emotions here)

I now **release** (name of offender) and the sins they’ve committed against me to you Lord Jesus, the only righteous judge. I **renounce** any part I’ve had in being a judge, and reject any influences that have affected me as a result of their sin(s). I ask you Lord to free me from all effects and influences of evil that came through the sins committed against me and through harboring any unforgiveness in my heart. I now forgive just as you have forgiven me, in Jesus’ Name, amen.”
