

# A Summary Guide for Personal Ministry

**ENVIRONMENT FIRST!** – ASK God's presence. **AUTHORITY** to remove influences of evil.

## ASK

"Lord Jesus, we ask you to show us the root of this [issue, problem, feeling] and reveal any lies, experiences, or other influences that are related or that resulted from it. And . . .

## AUTHORITY

*IN JESUS' NAME*, if there are any influences that opposes the Lord Jesus Christ and His Truth we suspend and expose them and the source of this [thought, feeling, problem, behavior, etc] and any lies or influences resulting from it."

## OBSERVE & ASK

- "As we were *praying* what were some things that came to mind?"
- "Is there anything you're feeling or thinking about **even if it seems unre-lated?**"
- Have them try to **report** without editing, analyzing, or interpreting
  - "Laundry List":
    - thoughts and feelings
    - images, memories, bodily sensations or other experiences
    - the 1<sup>st</sup> thought that came to mind during prayer
- List (write down) what they report in order to "test"
- Check to see they're not trying to visualize, imagine, or trying to remember something.
- Help them maintain a simple attitude of dependence to wait on Jesus (vs. effort or human thinking).

## "TEST"

"Lord Jesus, we **ask** that you would reveal if there is any **SIGNIFICANCE** to what (*name*) is (thinking, feeling, experiencing) And, in Jesus' Name, we **expose** anything of significance and **command** it to come into the Light of Christ."
